

May 2018

Weekend Activities start at 5:00 PM

May 03 (Thurs @ 7pm) - **Psychography, Investigated Cases**

- *Guilherme Velho (Guest Speaker)*

In this Spiritist talk, Mr. Velho will share his extensive research and findings in regards to the psychographic messages by many mediums published in his book, "Psychography, Investigated Cases".

May 05 - **Practical Forgiveness: A Gateway to Freedom**

- *Daniel and Kirsten Santos*

Come and Join Daniel and Kirsten as they discuss ways to achieve self forgiveness as well as giving forgiveness to others.

May 12 - **Honoring Our Parents**

- *Kirsten DeMelo*

Our parents are our first encounter with relationships and their roles in our lives are vital. Let us learn together how important it is to honor them, despite their faults according to Spiritism.

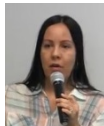

May 19- **Thought and Life (Ch. 13-15)**

- *Leonardo Vieira*

Leo will continue the study series of the book "Thought and Life" by Emmanuel/Chico Xavier. Come and join us to learn more about Children, The Body and Health from a Spiritist perspective through the words of Emmanuel.

May 24 (Thurs @ 7pm) - **Do not be anxious about anything**

- *Debora Beldowicz (Guest Speaker)*

The apostle Paul recommended us to 'do not be anxious about anything'. But what is the logic in his teachings? What does Spiritism bring us in relations to our apparent troubles and tribulations? This lecture will bring the psychological and spiritual aspect of this true illness that affects our planet.
