Jun 16 – In Search for Happiness: What Brings Us Happiness?

- Yasco Aracava

Jesus brought to us the proof of our immortality and that real happiness is not from this world, but it *starts* in this world. Spiritism, by refreshing this concept, helps us to learn how to seek it not outside in experiences of material pleasure and power, but by our spiritual enlightenment that often comes through pain, compassion, solidarity, gratitude and forgiveness. Science is also slowly coming to this conclusion as well.

Always live in peace.

A clear conscience, without remorse for past acts or fear of the future, creates harmony.

Nothing from outside can disturb a tranquil heart, which beats to the rhythm of duty honestly done.

Peace is worth whatever you must do to achieve it.

(Joanna de Angelis/Divaldo Franco)
