Jul 28 – Hello! The Power of Connectedness

- Yasco Aracava

In times of alarming increase in suicide rates all over the world, at all ages and ethnics, we found low sense of belonging and perceived burdensomeness to play a pivotal role on this human crisis. We as a society and more particularly the Spiritist Centers with their fraternal assistance based on unique knowledge about the life in the Spiritual World and the spirits journey through numerous incarnations need to engage in ways for people in risk to regain their power of social connectedness and worthiness.

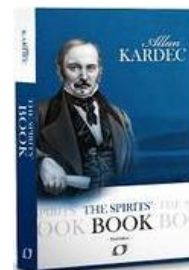

“God leaves to our conscience the choice of the road we decide to follow, and the liberty of yielding to one or another of the opposing influences that act upon us.”

- Allan Kardec
