#### Oct 24 – Sleep and Dreams: The Spiritist View

**@ 5 pm** – Yasco Aracava

During sleep, the physical body rests but the spirit emancipates at various levels, staying connected to the body through the perispirit silver cord. Dreams are some recollections of the experiences undergone by the spirit during sleep. More spiritually we live and intelligently we prepare ourselves to sleep, we emancipate in conditions to experience higher levels of learning and heart filling encounters. The opposite is also true.
