Nov 21 – Spiritism and its Message of Liberation

@ 5 pm – Flavio Zanetti (Guest Speaker)

Beyond the freeing of rituals, dogmas, and ceremonies, Spiritist ideas help us see the world with a different set of eyes, not the eyes of confinement and exclusivity that we have seen throughout history, but rather a message of love, inclusion, and welcoming in every aspect of the way. People today still long for liberation, they long for liberation from their dependencies, from their shortcomings, from cycles of violence, from the threat of a poor harvest, from abuse, etc. Spiritism comes more actual than never to show us a compelling message of love, reasoning, and hope that serves as its main comforting message of liberation. Join us!

When in doubt, go with the attitude that is least harmful to your neighbor and yourself.

Avoid taking risks and running other people.

Act with serenity, sure in the knowledge that your gesture will resonate with others, in accordance with the emotion and content it is imbued with.
