Dec 04 – The Teachings of Jesus Christ

Jesus' parables were a powerful teaching method that fit the tradition of His time, and these simple, memorable stories represent a good part of His teachings found in the Bible. As we approach Christmas, let's reflect in the life of Jesus!

Dec 11 – Times of Health & Conscientiousness | Chap 9

@ 5 pm – Kirsten DeMelo

Kirsten continues the study series of the book, "Times of Health & Conscientiousness" by the spirit Joanna de Angelis, through the medium Divaldo Franco. In this talk she will discuss the Chapter 9 entitled "Before One's Conscience".

Dec 18 – H O P E (via ZOOM meeting)

@ 5 pm – Julio Padovan

We all hope: hope for a good school or work environment, health, prosperity, friends, etc. But what is hope? Where does it fit in our spiritual evolution? It is understandable that we should renew our prospects and wishes for a better life at the end of a calendric cycle and beginning of another. What can we do to turn at least some of our expectations into reality? Join us Saturday late afternoon for a timeline of humanity's hopes and dreams, the epic quest for a better world, and add your hopes to ours for a better year and a brighter future.
