- Is prayer pleasing to God?

"A prayer is always pleasing to God when spoken from the heart, for intent is everything to God. A prayer from the heart is preferable to one you read no matter how beautiful it may be if you read more with the lips than with the thought. Prayer is pleasing to God when it is offered with faith, fervor and sincerity. Do not believe, however, that God is touched by the prayer of vain, proud or selfish people, unless their prayer represents an act of sincere repentance and true humility." - The Spirits' Book, q/a # 657
