Apr 01 – The Workers of the Last Hour

@ 5 pm – *Julio Padovan*

Christ is our ultimate model of constructive behavior. His words will echo throughout history. Every one of them is of immense value to us. Two explanations of the parable of the Workers of the Last Hour are provided in The Gospel According to Spiritism. In this lecture, we will refer to the two explanations and discuss the excerpt of the parable that has been left out from them.

- At what moment does the soul actually join the body?

"The union begins at conception but is only complete at the moment of birth. From the moment of conception, the spirit designated to inhabit a given body is connected to it by a fluidic tie, which gets tighter and tighter up to the instant the child is born. The newborn's cries announce that it has entered the number of the living and the servants of God." - TSB# 343
