- When obstacles seem to fatally inflict our projects, is it because of the influence of some spirit?

"It is sometimes because of the influence of a spirit; other times, and more frequently, it is because you yourselves have mismanaged your projects. Position and character have much to do with it, and if you persist in following a path that is not right for you, spirits have nothing to do with it – you yourselves become your own evil spirit."

- The Spirits' Book, q/a # 533
