* Please connect at least 5-10 min before session starts.

- Could two individuals who have already known and loved each other meet in another corporeal existence and recognize each other?

"Recognize each other, no; feel attracted to each other, yes. Frequently, intimate connections founded on sincere affection arise from no other cause. Two individuals are drawn together by apparently fortuitous circumstances, but it is actually the result of the attraction of two spirits who have been searching for each other amidst the crowds."

- The Spirits' Book, q/a # 386

"As we say goodbye to the old and welcome the new, may your heart be filled with gratitude and excitement."
