Feb 28 – Peace in the World Begins with Me

@ 5 pm – *Alba Morales*

In a world often defined by external noise and division, true peace is not merely the absence of conflict but a common tranquility that begins within the individual. This presentation invites seekers of spiritual peace to move from being passive observers to active co-creators of a harmonious reality. Inspired by Jesus, the Prince of Peace, who modeled peace—one that remains unshaken by external storms—this session provides practical, soul-centered tools to anchor this divine state in your daily life.
