Apr 04 – What Comes First, the Egg or the Bunny, in the Great Holiday of Easter?

@ 5 pm – *Leonardo Vieira*

Come learn how the Spiritist perspective turns the traditional symbols of Easter into a meaningful guide for your own life. Instead of just focusing on holiday treats or ancient history, we'll explore how this season represents a continuous journey of personal growth and spiritual renewal for everyone. Join us for a down-to-earth talk about what these traditions really mean for the soul today.

Apr 11 – The Spirit's Freedom During Sleep

@ 5 pm – *Yasco Aracava*

In Question 402 of the Spirits Book, it is stated: "Sleep is the door that God opens to them for contacting their friends in heaven." However, depending on our state of mind, thoughts and actions, upon emancipation of the spirit during sleep, we may cross doors open for good or less noble purposes and interactions which we may partially remember as dreams or nightmares, with contents of present and past lives.

Apr 18 – The Arrival of Spiritism

@ 5 pm – *Luiz Lima (guest speaker)*

This talk contextualizes the arrival of Spiritism by exploring key events in human history that made it possible. It also addresses the early days of Spiritism and its core teachings.

Apr 25 – Dawn of a New Era: A Case to Remember

@ 5 pm – *Kirsten DeMelo*

This talk analyzes a landmark case of spiritual interaction from Spiritist literature. We will examine how the laws of affinity and inner reform allow us to shift our mental vibrations, moving from the shadows of obsession toward the light of regeneration. Join us to discover practical lessons for navigating our paths with balance, vigilance, and hope.

– Why do certain low order spirits take pleasure in inducing us to evil?

"They do so out of spite for not having deserved to be among the good ones. Their desire is to prevent inexperienced spirits, as much as possible, from attaining the supreme good. They want to make others experience what they themselves are experiencing. Don't you see the same amongst yourselves?"

- *The Spirits' Book, q/a # 281*

Patience teaches us how to wait when we cannot immediately get what we want.
